

***Conventional Oven:** Pre-heat oven to 350-400 F. Remove film from container and cover with a foil sheet. Place the plastic tray on cookie sheet in center of oven and bake for 20 - 25 minutes. Carefully remove from oven and allow to cool for 1 minutes before serving. ENJOY

***Microwave Oven:** Poke 3 holes in the top film. Place into microwave on microwave safe plate. Cook on High for 3-4 minutes. *Carefully* remove the plastic tray from the microwave and allow to cool for 1 minute. When removing film, take extra care. ENJOY
